The project to advance distance education using the Education graduate students was reviewed and agreed to be a big success. There is an open house for these projects April 20, 2010, in Lagomarcino Hall. Carl Vondra brought Jerilyn a plan for the 2011 Geology trip to Glacier National Park. There was a discussion of membership being for the academic year that ends June 30. Jerilyn will make a presentation to the Kawanis Thursday Morning group May 20..
