

Youth Conference

Young people ages 12-18 (7th-12th grade) are especially encouraged to attend the youth portion of the Prairie Star District 2005 Annual Conference. Conference participation isn't limited to adults! Come to the Twin Cities this year and make sure that your voice is heard on the issues that matter to you!

Youth participants will stay at Unity Church-Unitarian and participate in regular conference activities, plus take part in additional programming designed with young people in mind. This is a great opportunity for young UUs to get to know others from around the Prairie Star District.

Each youth attending must have a sponsor from their congregation who will also be attending the conference. Sponsor responsibilities include attending the Friday night orientation session, maintaining contact with youth, and supporting youth during the weekend.

Young attendees must also agree to the guidelines listed on this form.

Additional events for young people will be held at Unity Church-Unitarian. Youth will lead the Saturday night worship service.
